REPLY TO FINAL REJECTION

Sir:

In response to the final rejection mailed February 1, 2001,
please amend the above referenced patent application as follows:

In the Claims:

Please amend claim 20 as follows:

20. (Twice Amended) An article comprising a medium for
storing instructions that enable a processor-based system to:

enable a user to receive a telephone at a remote
control unit;

enable a user to control an electronic device using
said remote control unit; and

[cause a proximate wireless telephone to generate
carrier frequency; and

adopt said frequency as a carrier frequency for
communication with said remote control unit]

prompt the user to issue a page from the user's
wireless telephone.

RECEIVED

FEB 15 2001

Technology Ctr.

Please cancel claim 22.

Date of Deposit: February 8, 2001
I hereby certify under 37 CFR 1.8(a) that this correspondence is
being deposited with the United States Postal Service as **first class**
mail with sufficient postage on the date indicated above and is
addressed to the Commissioner for Patents, Washington DC 20231.
